## Keep Your New Teen Driver Safer

1. *Seat belts are to be worn on every trip by all occupants.*
2. *No passengers for the first year, excluding siblings.*
3. *No distractions. No texting. No cell phone use at all.*
4. *No driving after 10:00 p.m. – earlier is better.*

\*NOTE: These are best practices recommended by the National Safety Council and the American Academy of Pediatrics.

# YOU are the #1 influence on your teen's driving
