## FOR MORE INFO...

If you have any questions, please contact AAP Office, at (818) 422-9877, Monday thru Friday, 8 am to 5 pm PST or email [Chapter2@aap-ca.org](mailto:Chapter2@aap-ca.org) In accordance with the Americans with Disabilities Act (ADA), please call AAP Chapter 2 at (818) 422-9877 should you require special assistance.

This activity has been planned and implemented in accordance with the Essential Areas and policies of the Institute for Medical Quality/California Medical Association (IMQ/CMA) through the joint providership of CME Consultants and the American Academy of Pediatrics. CME Consultants is accredited by the Institute for Medical Quality/California Medical Association (IMQ/CMA) to provide continuing medical education for physicians.

CME Consultants designates this live activity for a maximum of 6.75 *AMA PRA Category 1 Credits*<sup>™</sup>. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

This credit may also be applied to the CMA Certification in Continuing Medical Education.

## DESIRED OUTCOMES

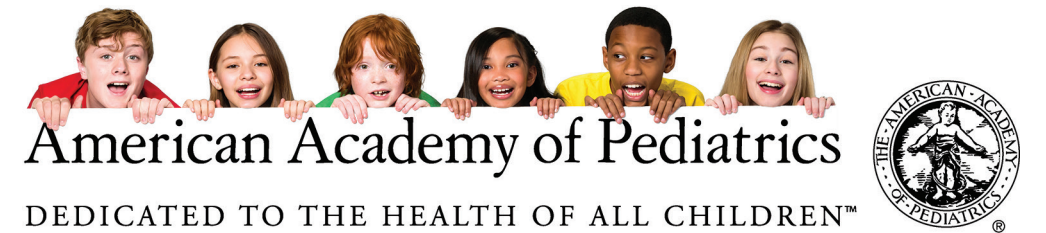

The presentational method for this activity will be Case Presentation with Learner Participation, Lecture with Q&A, and Small Group Discussion/Roundtable. This activity is geared to meet the educational requirements of Pediatricians. All Physician Specialties, Allied Health Care Professionals, and Nurses are welcome to attend. This activity will encompass the following desirable physician attributes: Medical Knowledge, Patient Care & Procedural Skills, Professionalism, Interpersonal & Communication Skills, Practice-Based Learning & Improvement and Systems-Based Practice.

At the conclusion of this activity, learners will be able to:

- Evaluate pediatric patients with sports-related injuries and develop personalized treatment and rehabilitation plans for each patient
- Review screening and diagnosis recommendations and treatment approaches for autism and other neurodevelopmental disorders
- Identify the medical/legal issues involved in providing pediatric patient care and the implications for practice
- Recommend and administer appropriate age specific care and screening for pediatric urological conditions
- Recognize the social determinants of health to ensure delivery of appropriate and cost efficient care
- Explore recent developments and other advances in the diagnosis and treatment of pediatric brain tumors
- Organize pediatric patient care in consideration of culture, gender, age, and disabilities with respect, compassion and integrity
- Discuss lessons learned from making vaccine recommendations, and the most current recommendations from the AAP "Red Book" and their relevance in addressing the needs of pediatric patients with infectious diseases

## FACULTY

### CARLO REYES, MD, MS, ESQ., FACEP

*Vice Chief of Staff at Los Robles Hospital and Medical Center*

· Dr. Reyes is an emergency physician, pediatrician, Vice Chief of Staff and Assistant Medical Director of the Emergency Medicine Department at Los Robles Hospital in Thousand Oaks. Dr. Reyes is also an attorney at the medical malpractice defense and health care law firm Boyce Schaeffer, LLP. Dr. Reyes is a national lecturer, recently speaking at the American College of Emergency Physicians (ACEP) Scientific Assembly, the California ACEP Assembly, and the Southern California Association for Healthcare Risk Management.

### LARRY K. PICKERING, MD, FAAP, FIDSA

*Adjunct Professor of Pediatrics at Emory University School of Medicine*

· Past senior advisor to the director of the National Center for Immunization and Respiratory Diseases of the CDC, and past Executive Secretary of the Advisory Committee on Immunization Practices (ACIP). Dr. Pickering is an Adjunct Professor of Pediatrics at Emory University School of Medicine in Atlanta, Georgia; board-certified in pediatrics and pediatric infectious diseases by the American Board of Pediatrics. Recipient of the 2016 Stanley A. Plotkin Lectureship in Vaccinology Award from the Pediatric Infectious Society, and recipient of the 2016 John P. Utz Award in recognition of outstanding leadership skills from the National Foundation for Infectious Diseases.

### ALICE KUO, MD, PHD, MED, FAAP

*Assistant Professor in Pediatrics and Internal Medicine at the David Geffen School of Medicine at UCLA*

· Dr. Kuo is an Assistant Professor in Pediatrics and Internal Medicine at UCLA. She graduated from Harvard University with a BA in Biology, then came to UCLA for medical school. She completed a Combined Internal Medicine and Pediatrics residency at Cedars-Sinai Medical Center. She returned to UCLA to complete a National Research Service Award (NRSA) Primary Care Health Services Research fellowship and obtained her PhD in educational psychology from the UCLA Graduate School of Education. Her dissertation examined the parental factors influencing child care selection in a survey of 4800 parents in California. She is currently the Program Director of two residency programs at UCLA: the Community Health and Advocacy Training (CHAT) Program and the Combined Internal Medicine and Pediatrics Residency Program.

### WILLIAM M. HOHL, MD, FAAOS

*Chief of Pediatric Orthopaedic Surgery, Department of Orthopaedic Surgery, Harbor-UCLA Medical Center; Associate Professor of Orthopaedic Surgery and Associate Director of Pediatric Orthopaedic Surgery, Cedars-Sinai Medical Center*

· Dr. Hohl is a cum laude graduate of Harvard College, an Alpha Omega Honor Medical Society honoree & graduate of Columbia College of Physicians & Surgeons in New York, residency trained in the Harvard Combined Orthopaedic Program in Boston, fellowship trained at Boston Children's Orthopaedic Department & at West Coast Center for Sports Medicine. He is Director of Pediatric Orthopaedics Harbor-UCLA, Associate Professor of Orthopaedic Surgery Harbor-UCLA, Associate Director Pediatric Orthopaedics Cedar-Sinai Medical Center, Founding Sports Medicine Team Member Glorja Kaufman/Cedars-Sinai Dance Medicine Center, & Sports Medicine Committee Member of California Interscholastic Federation. Dr. Hohl holds positions on numerous non-profit, educational and peer-review boards, medical committees, and is a frequent lecturer in his field.

### ANDREW FREEDMAN, MD

*Vice Chair, Pediatric Surgical Services; Director, Pediatric Urology Cedars-Sinai Medical Center*

· Dr. Freedman's clinical interests include minimally invasive surgical techniques for the treatment of pediatric urological disorders, including laparoscopy, and the treatment of neurogenic incontinence. His research interests include the emerging specialty of fetal urology, including detection, diagnosis and treatment of genitourinary abnormalities before a child is born. Certified by the American Board of Urology with an additional prestigious certification in Pediatric Urology, Dr. Freedman is a member of several professional organizations, including the American Urological Association, American Academy of Pediatrics, Society of Pediatric Urology and Society of Fetal Urology.

### MOISE DANIELPOUR, MD, FACS

*Assistant Professor, Neurosurgery; Director, Pediatric Neurosurgery Program; Medical Director, Center for Pediatric Neurosciences; Vera and Paul Guerin Family Chair in Pediatric Neurosurgery*

· Dr. Danielpour is a member of the international prenatal neurology and neurosurgery conference team as well as a member of Cedars-Sinai's International Skeletal Dysplasia Program. He is a world renowned investigator and surgical expert on the neurological complications in patients with skeletal dysplasia, dynamic foramen magnum stenosis and spinal stenosis. Dr. Danielpour is also an expert in the use of minimally invasive surgical technology in the care of children with central nervous system disease, including the use of minimally invasive techniques in the treatment of pediatric hydrocephalus (endoscopic third ventriculostomy, aqueductoplasty and endoscopic fenestration of intracranial cysts), specifically in neonates and children.
