Ventura is a classic California beach town filled with palm trees and surfers. An hour north of Los Angeles, it is nestled between the hills and the water along California's iconic Highway 1. Ventura is a popular stop for those discovering California's Central Coast, the region between Los Angeles and San Francisco. This hidden gem halfway from Malibu to Santa Barbara, offers a casual allure and laid-back small-town vibe with an average 300 days of sunshine each year. Combined with year-round daytime temperatures averaging 70° degrees, Ventura is a perfect destination for those chasing endless summers.
