

Pediatric Information Session

Situational Update on Seasonal Viruses and Strategies to Increase HPV Vaccination in Adolescents

Tuesday, March 12, 2024

12:00 PM - 1:00 PM

At the completion of this activity, participants will feel more confident in their ability to:

- 1. Discuss the current respiratory virus trends in LA County**
- 2. Counsel caregivers and patients about routine preteen vaccinations**
- 3. Vaccinate eligible patients against HPV**
