

Prevention Of Infection In Schools: From Mythbusting To Implementation

Event Speakers

Event Date

Thursday, January 9, 2025
2:00 PM to 3:00 PM

Event Location (In-Person)

The California Endowment in Los Angeles
1000 Alameda St, Los Angeles, CA 90012

Kenneth Zangwill
MD, FAAP
AAP-CA2 Infection
Prevention
Ambassador

Smita Malhotra
MD, FAAP
LAUSD Medical
Director

The AAP-CA2 and LAUSD, in collaboration with the National AAP through a grant from the CDC, are bringing a one-hour program to highlight the processes implemented in public schools to keep students and staff safe from communicable diseases. There is no cost to attend this event and it's open to pediatricians, school health staff, and parents!

In-Person & Zoom Options Available!

- Back From Winter Break: What To Expect
- When Should A Student Stay Home?
- Keeping Schools Clean: Logistics And Procedures
- How Can Providers Get Involved To Help Schools
- Vaccines And Community Immunity
