From our **culture of collaborating**, sharing, and learning, to the way we customize our approach to every individual's needs, the Antelope Valley region of Southern California Permanente Medical Group (SCPMG) is like no other. Antelope Valley is a rapidly expanding desert community with a small medical center that offers a close working relationship between physicians and the **opportunity to live locally** or in the LA metro area where you would travel to work against traffic. With flexible work schedules, an attractive sign-on bonus, comprehensive support and training, and a **commitment to mentorship** and leadership programs, you will flourish within this close-knit, family-oriented community that truly believes in a **fulfilling work-life balance**.

This is a place where joy can be found in the practice of medicine. A place where you can truly focus your energy on what matters most: caring for your patients.

SCPMG is proud to offer its physicians:

- An organization that serves the 4.9 million Kaiser Permanente members throughout Southern California for more than 70 years
- Excellent salary, comprehensive benefits, and partnership eligibility after 3 years
- Comprehensive administrative support
- A fully integrated electronic medical record system (EPIC) and AI technology support for clinical documentation
