

VIRTUAL PEDIATRIC LECTURE SERIES

In Partnership with Business Development

CHOC, part of Rady Children's Health, is proud to introduce our Virtual Pediatric Lecture Series, an ongoing effort to keep community providers informed with the latest and most relevant medical updates. Unless otherwise noted, all sessions are eligible for CME credit.

Topic

Hydrocephalus Management: Past, Present, and Future

Speaker

Dr. Brian W. Hanak, Neurosurgery

Lecture Details

 Date: Thursday, January 8, 2026

 Time: 12:30 PM – 1:30 PM (PDT)

Learning Objectives

- Improved confidence in diagnosing hydrocephalus and cerebrospinal fluid shunt malfunctions
- A more complete understanding of the treatment options for pediatric patients with hydrocephalus
- Greater insight into how new technologies might improve hydrocephalus care over the next decade

Target Audience

General pediatricians, family practitioners and other medical professionals.

Questions

For questions or registration help, please contact Business Development at (714) 509-4291 or email bdinfo@choc.org.

All lectures will be held via Zoom. After registering, you will receive a confirmation email with the Zoom link sent to the email address you provided.
