

A Practical Playbook for ADHD, Anxiety & Overweight/Obesity

Guest Speaker
Alesandro Larrazabal, MD, FAAP

October 15, 2026

12:30PM - 1PM PT on Zoom

Webinar Details

ADHD, anxiety, and obesity are increasingly a part of everyday at pediatric practices. Recognizing the problem is often the easy part. What do you do next when you have limited time and access to evidence-based treatment is hard to access? Join Clarity Pediatrics for this 30-minute webinar which will provide practical guidance on the issues above.
